

Outdoor advertising at the Hallenstadion Zurich

Exclusive and unmissable advertising presence in the middle of the event action

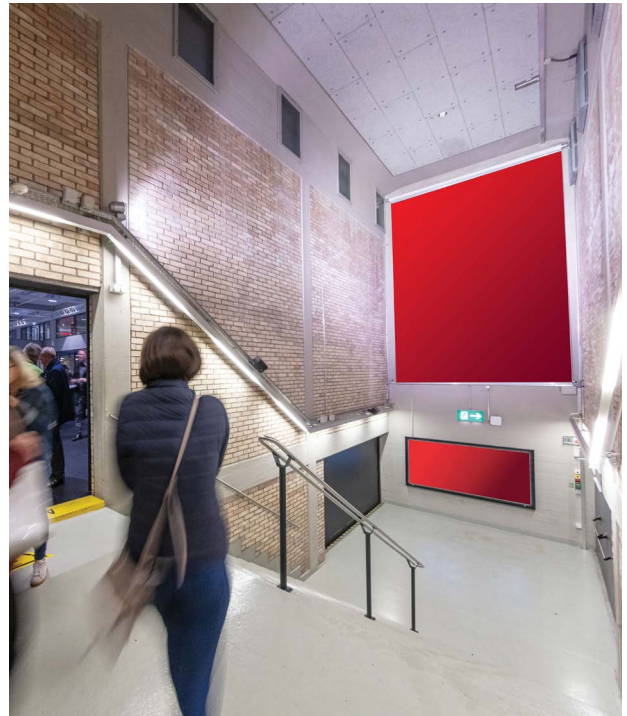

Communication space POI

Very close to your target group

The Hallenstadion in Zurich is the largest event building in Switzerland and the venue of events with international stars of pop, rock, latin, hip-hop, folk music as well as sport events like the ice hockey world championship or Art on Ice. The Hallenstadion is well-known beyond the national border. With its great appeal, the specific target groups and the extended catchment area it is particularly interesting for advertising.

Facts & Figures

- Switzerland's largest multifunctional arena
- 5 restaurants
- over 130 event days per year
